THE PRINCIPAL'S CORNER

Happy Thanksgiving to the Botelle School community! Here are some things our students and staff are grateful for...

- Getting to come to school every day and learning new things. In social studies we learned about the U.S. Constitution, the Congress and the Supreme Court. I never knew that and I learned it -Anthony
- My kids. My class. The students. They make me laugh and smile every day. -Mrs. Tallon
- For the extracurricular activities like Kids Lit Quiz that our students are motivated to do so they can represent Botelle. They want to learn. -Mrs. Incillo
- When someone greets me in the hall because it makes me smile and feel good. -Mckenzie
- For the PTO making sure that all students had a book from the Book Fair. -Ms. Pitruzzello
- Having friends and seeing them every day. -Kayleigh-Raine
- MakerSpaces. I'm into making things at home and when we started this at school I said, "This is for me!" -Carter
- The whole staff takes everyone's opinion into consideration. The staff is inclusive. Student Council has ideas like Kindness Cards, where kids can write about others doing good. -Liam C.

- SOAR stuff. Start with Hello, Socktober, Kindness Cards, “Soup”er Bowl can drive. -Leif
- The opportunity to do community based learning like Socktober and the ability to focus on the whole child. -Mr. Snyder
- The teachers. They are so nice. -Willow
- The students, staff and parents at Botelle. You make our school great! -Mrs. Valentino
